Thank you Satyam Sir for being an emotional guide in this eternally exhaustive journey. And academically the MAD videos on Youtube helped me develop a mindset for Prelims and Conquer videos and flash sessions also helped especially old video lectures of the SFG 2023 group. And a very big thank you for the motivating feedback session post mock interview. That was a big confidence booster and much needed.

Satyam sir's mentorship and guidance proved the most important aspect of my journey. Initially the MAD series had built my perspective towards Prelims, allowing me to clearing the same 2 times. Then, Conquer mains, the content, classes, flash answer writing session allowed me to develop the content and writing ability. Therefore, a sincere thanks to the whole team of Understand UPSC and specially Satyam sir for everything.

सर सच में 3 attempts के बाद Holy PDF में नाम देखकर बहुत अच्छा लग रहा है। मैं बता नहीं सकती मेरा नाम देखना मेरी family के लिए कितना जरूरी था। सर 2023 में आपसे मिलना मेरी उस यात्रा में एक महत्वपूर्ण मोड़ था। अब मुझे लग रहा है कि भगवान ने कुछ अच्छा Plan करके आपसे मिलवाया। उसके बाद MAD किया वहाँ से बहुत Confidence आया और Prelims clear होना ही मेरे लिए बहुत था। सर आपसे उन voice notes & videos के माध्यम से जुड़ना ऐसा लगता था कोई भाई समझा रहा है।
I am seriously grateful to have a mentor like you Satyam Sir. Please always guide me

So after my 2 failed prelims, I came to know about Satyam Sir & Understand UPSC. I started writing mains answers with him in 2023. The best part was when Sir introduced MAD, that changed everything.

Cleared 2024 Prelims, Mains but couldn't secure a rank in interview. In 2025, relied on MAD again and here I am in the holy pdf.

All thanks to Satyam Sir and his whole team for all the support, specially keeping the courses affordable for everyone.
