After 2023 Result : Sach me Satyam sir, It was my 1st mains and I could score 435 in GS without any coaching and test series, It was all because of your efforts

After 2024 Result : UnderStand UPSC is more than just an institution, it is the support you need. I had Satyam Sir as mentor, who played a significant role in my preparation. He was a great support throughout the journey. Specifically for Ethics, I referred to the notes uploaded by him, and they were incredibly helpful. Even last year, I managed to score well in Ethics.

Conquer Mains has been a game-changer in my preparation. The Score Enhancers added immense value to my answers and played a crucial role in boosting my overall performance in the mains exam especially GS4 .Whatever content was not prepared by myself was done through Conquer short notes. Live answer writing breaks inertia and FLT really helped a lot. Current affairs video helped immensely. For Prelims, I focused on PYQs and watched the MAD series multiple times. I was also part of the High Rise Initiative, which I followed with complete dedication. It truly made a difference in my preparation.

I followed the conquer timeline fully. The model answers of the PYQs were easily replicable in exams. Economy content was gold with Committees, Bar-Graphs, Diagrams and Pie-chart. IR compilations of Harsh Pant, S. Jaishankar quotes were very handy to use across GS. Mains mock tests were very helpful as it was fully based on PYQ and hence helped me revise it. Sir is providing the content which is a consolidation of what an aspirant should do in 5–6 years and it's not easily available in the market. I have watched all the MAD series and understood clear patterns to crack the exam. I highly recommend taking Satyam Sir's guidance to understand what is required to decode this exam. He is really an amazing mentor one can have.

MAD series is the one that has revolutionized my whole preparation because I knew I needed to change my approach for attempting the exam but didn't know how to do it. Then sir came as a guiding light. Then it was a constant journey- I was part of YPLP, Conquer and Antim Pag. I was fully dependent on Conquer notes for Ethics. Live answer writing was very helpful in building confidence and brain storming. For Ethics I revised the model answers multiple times and prepared my short notes from them. The answers were made with a lot of effort. My success in this exam is solely because of sir.

By getting associated with UnderStand UPSC, all my myths were broken. I followed each and everything as sir told and trusted him blindly. I did all PYQ analysis, attended all answer writing sessions, I didn't miss even a single target. Earlier, I used to find Ethics very tough because it is completely different from the other three GS papers. I had no idea what exactly needed to be done in it. But the 3-4 sessions you took, along with the notes we made during them (which I still have), really helped me understand. There are some factors like I was preparing from my home and I had no one in family/ near ones who have any background in civil services so there was this feeling of constant FOMO and Lack of guidance. I got in touch with sir when I was writing 2023 Mains and I was so inspired to see that Sir was also appearing for Mains and even then he was managing and teaching us. I attended all the sessions daily- be it answer writing, doubt sessions or even helping us to overcome self doubts and boosting our confidence. He was available as a senior, as a mentor and as an elder brother. Sir's revision session was very very helpful. I have revised even in between my GS papers at my centre.
