Toppers Testimonials

Harshita Goyal (AIR 2, CSE 2024)

Thank you for being such an incredible mentor for Ethics. I genuinely couldn't have asked for a better teacher for this subject. Your handouts, unique style of teaching with real examples made all the difference. I am really happy to share that I scored 125 in CSE-4, and a big part of that credit goes to your guidance. Your learnings will also help me beyond the exam.

Akshit Bhardwaj (AIR 12, CSE 2025)

"Sir's Ethics course was immensely helpful in building clarity and comprehensively covering the syllabus. I also took his Essay course, which helped me during the initial phase of my essay preparation."

Sruthiti R (AIR 18, CSE 2025)

"I used the free current affairs compilation for this attempt prelims along with newspaper reading. For Mains, I watched the 450+ mains initiative on YouTube and Ethics Keywords Video. I watched them and used them in my answers. This was my first mains but I was able to score 123 marks."

Prachi Honey (AIR 28, CSE 2025)

"I took guidance from Mudit Jain Sir for Ethics, Essay and Current Affairs and implemented everything told by him."

Utkarsh (AIR 32, CSE 2025)

"Mudit Jain sir's answer writing strategy was very helpful in improving my mains score in CSE-2024. His emphasis on structuring the answer by breaking it into respective subparts, covering multiple dimensions, balancing quantity and quality, using diagrams and inputs on writing good intro conclusions were all critical in me getting GS marks improvement."
